SUMMARY

Experienced in accounting and now transitioning to a Full-Stack Developer role, I recently completed the Hacktiv8 boot camp in Full-Stack web development. This journey showcases my dedicated pursuit of a lifelong passion for technology. Motivated by the abundant opportunities in the ever-evolving field of technology, I am now eager to learn, diversify my skills, and embark on a rewarding career as a Full-Stack Developer. Making this transition is a step towards fulfilling my passion for technology.
